

September 28, 2006
Informational Correspondence

Received copy of letter dated July 24, 2006 from the Senior Attorney of the Natural Resources Defense Council to the Yolo County Board of Supervisors expressing that the proposed Clarksburg Old Sugar Mill Project is inconsistent with the Commission's Land Use and Resource Management Plan for the Primary Zone of the Delta.

(Letters from the Commission have been provided on the subject proposed project during the environmental review process pursuant to the California Environmental Quality Act.)

Letter dated August 9, 2006 from President of the Stanford Alumni-In-Government Club of Sacramento to Commission Executive Director expressing appreciation for participating as a panelist in the Association's Day on the Delta tour on August 4, 2006.

Letter dated August 26, 2006 from the Executive Officer of the California Regional Water Quality Control Board, Central Valley Region, to the Commission Executive Director requesting the opportunity for Board staff to present information about the Delta Mercury TMDL development process to the Commission.

(The Delta Mercury TMDL Collaborative, facilitated by Commission staff, provided a forum for a presentation by the Board and stakeholder input on August 24, 2006 and Board staff is providing an update to the Commission on September 28, 2006.)

Undated letter from J.D. Lynd, Manager of Rio Vista Municipal Airport, requesting clarification on whether Draft Rio Vista Airport Master Plan is consistent with the Commission's Act and Management Plan.

(Response letter sent by Commission staff on August 10, 2006, indicating the need to demonstrate consistency with the Act and Management Plan.)

Letter dated August 27, 2006 from Commission staff to the County Administrator of Yolo County requesting an update on the County's funding support for the Discover the Delta Visitor Center and in-kind contribution of three Welcome to the Delta signs to be posted within Yolo County.

(Yolo County Board of Supervisors approved funding for the visitor center in the amount of \$15,000 on September 12, 2006. It is anticipated that the welcome signs will be made and installed by October 15, 2006.)

Received Department of Water Resources' State Water Project Delivery Reliability Report (2005).

Comment letters from DPC provided on the following projects in the Primary Zone *(see projects list: Blue Heron Estates; Sunrise Oaks Affordable Housing; Finn Tentative Parcel Map.*
